# We Will

## Always Remember NEW HAVEN ...mainly for the

education we received there, and partly for the excitement and the little things that made up each day.

We will always remember our loyal faculty and the ever so humble underclassmen, who assisted and supported the school in everyway. We shall cherish all the fond memories of our football games, and the other athletics, but we will especially remember all the trophies that were won, and the work and practice that was put into the winning of those trophies.

Then there were the dances, and skip days, the class meetings, and the EXAMS! There are so many things to remember as well as things to forget, but the good out weighs the bad.

It is frightening to think that we may never see these people or these things again, but we will always remember them, as we will always remember NEW HAVEN!

# Dedication

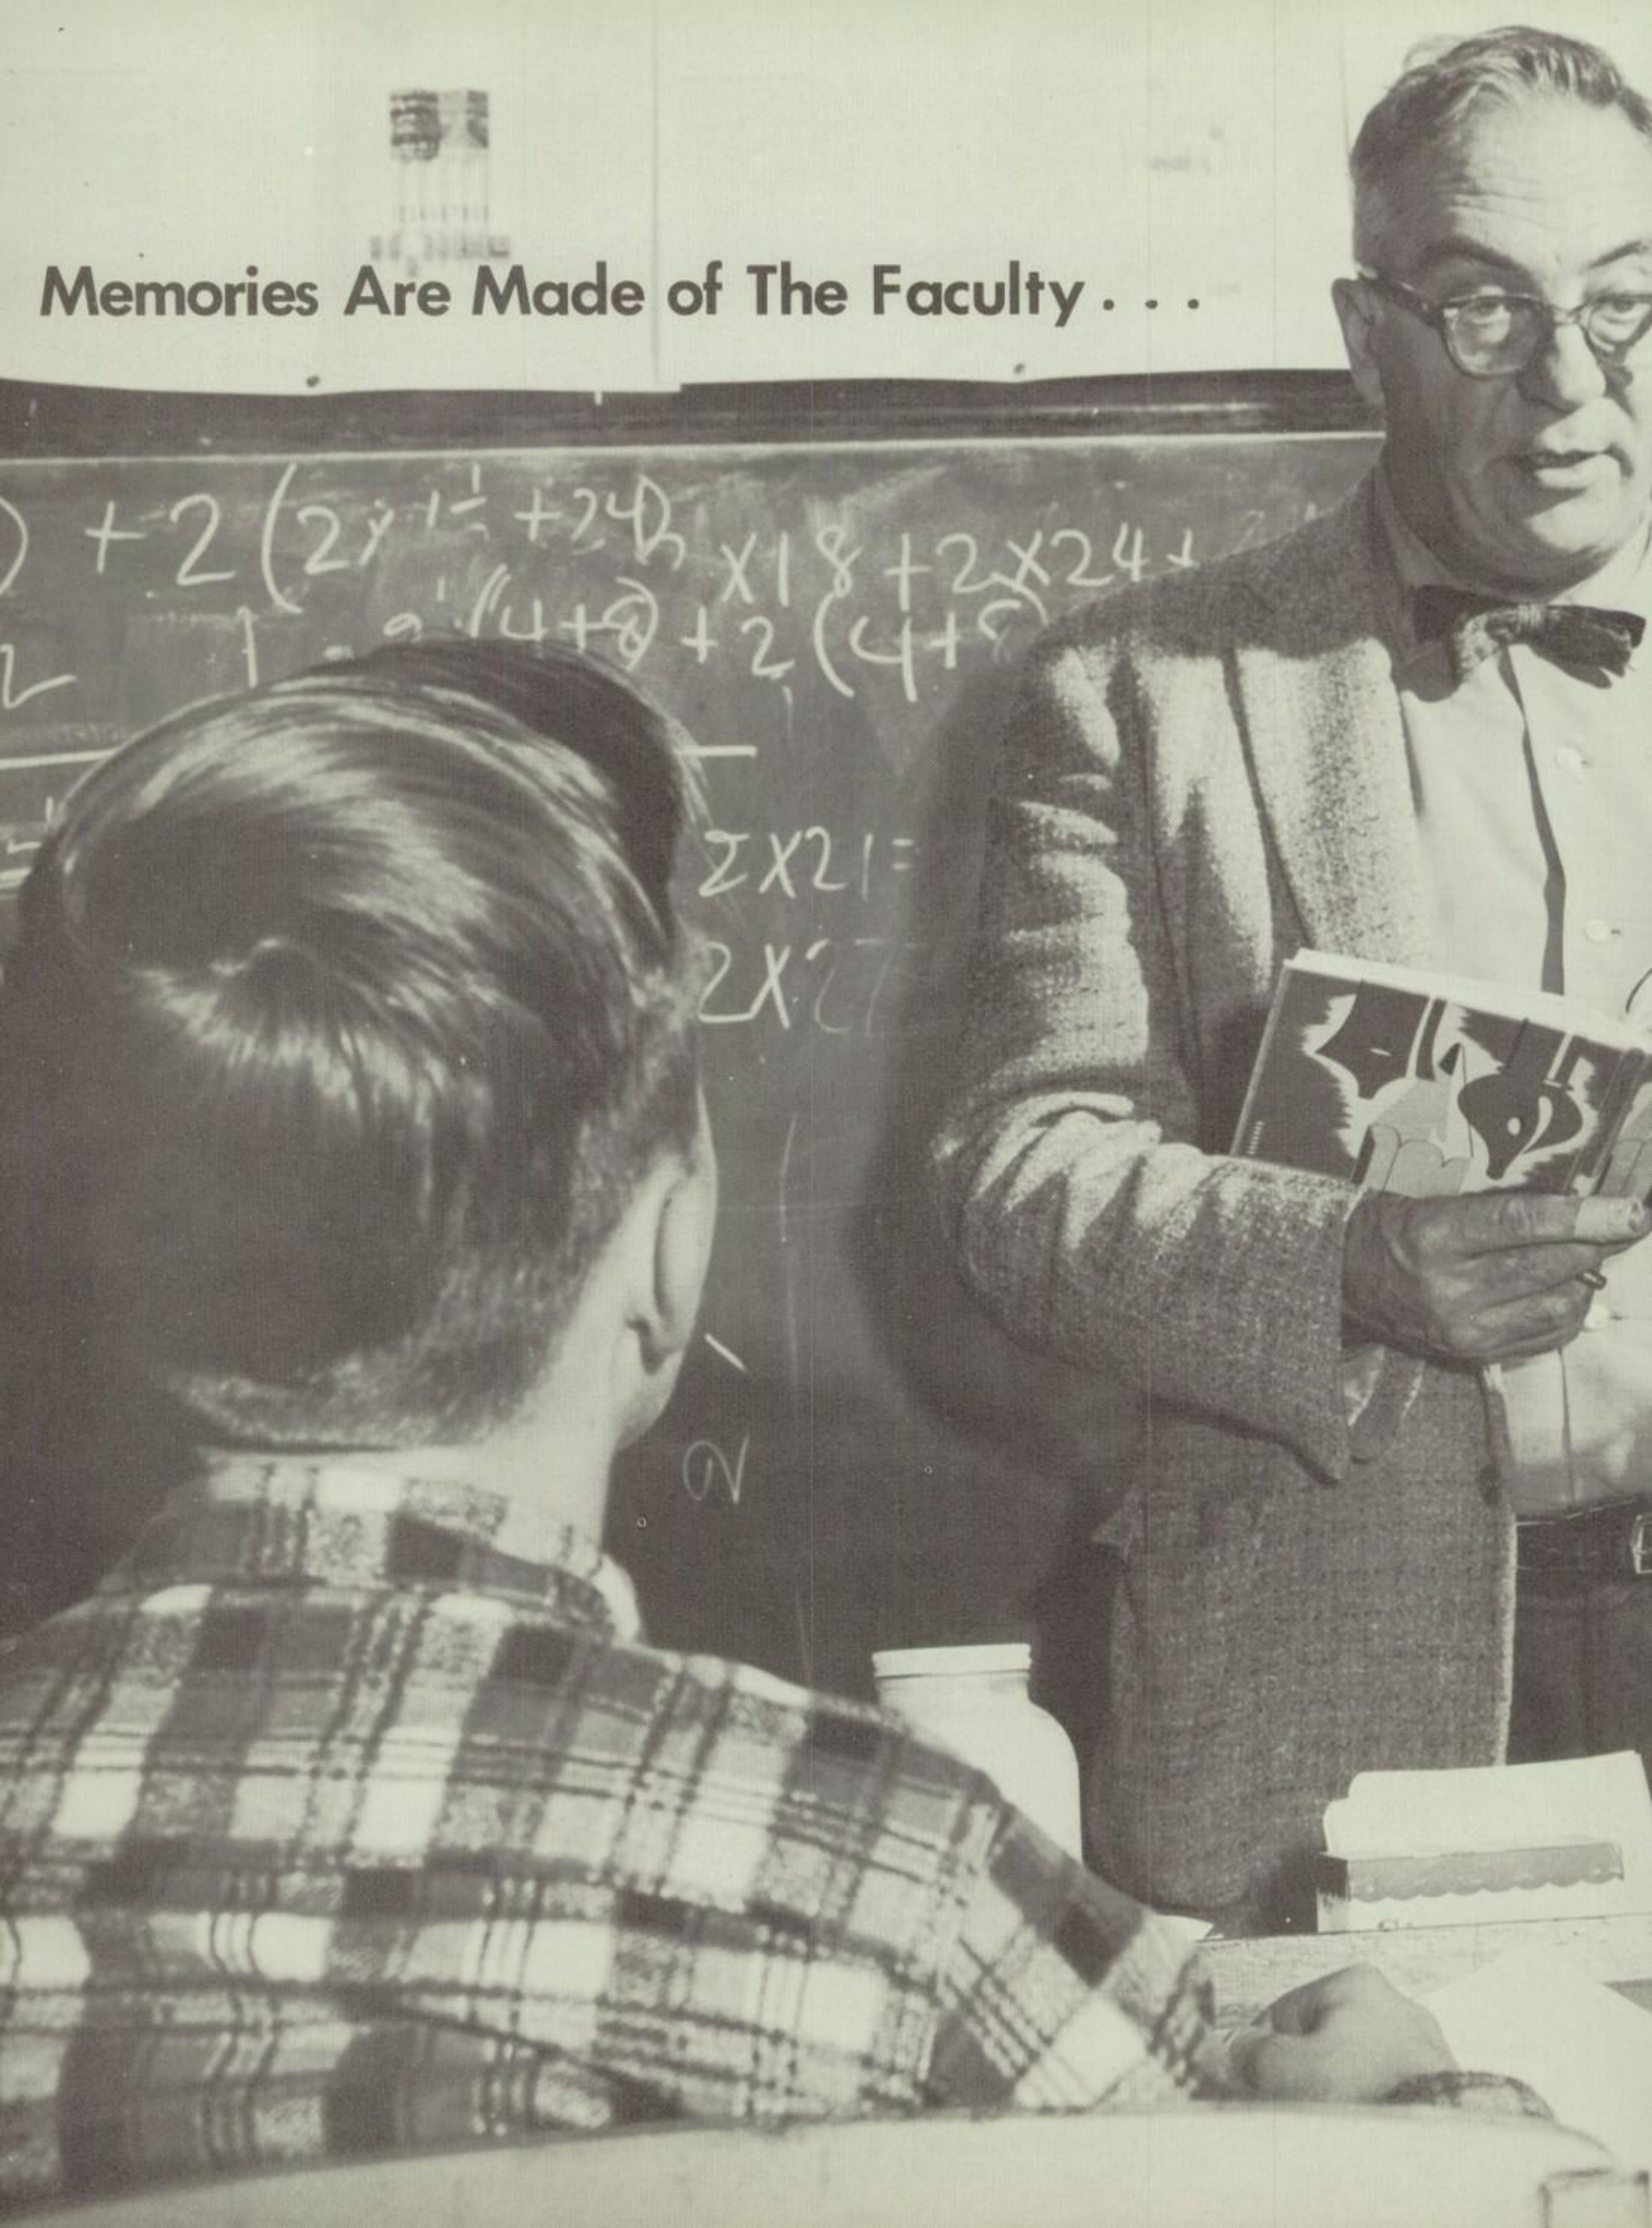

The year of 1957 was a great and profitable year for New Haven High School, for it was in this year and the years to come that we learned to honor and respect a great teacher.

Because of his loyal work with the varsity basketball team and football team, and his untiring devoted duty as history and government teacher, we, the members of the 1960-61 Annual Staff are proud to dedicate this yearbook to a man, who, in our opinion, is deserving of this honor, Mr. Dale Gerow.

Memories Are Made of The Faculty . . .

We shall always remember the faculty; the aid and assistance they so willingly gave to the student body.

Without the faculty, there would be no schools, no education; that is why they are to be praised and congratulated.

## Office Girls

The office girls have many jobs, which keep them unusually busy during the school day. There are two office girls every hour, thus, giving different girls different jobs. Among these jobs are: answering the telephone, making deliveries to the Elementary School, giving information to the teachers, and taking students from classes to visit Mr. Uhazie. Of course there are many other odd jobs in which they take part in. The office girls are important to have around, thus giving them much enjoyment and personal satisfaction!

Row 1: Nancy Nelson, Melody Rinker.

Row 2: Sharon Aldis, Connie Corbett, Mary Ann Periat, Lois Schilling.

The rattling of dishes, the clashing of pots and pans, and the smell of delicious food cooking everyday. These familiar sounds come from our expert cooks. Everyday of school they prepare for the students and faculty of New Haven High School a delicious lunch. Fixing a lunch for several hundred children is no minor chore, that is why we give much gratitude and appreciation to them.

## Cooks

Row 1: Mary Harm, Leona Johnson, Agnes Martin.  
Row 2: Viola Hagen, Wilma Lee, Remelda Englebert.

## Custodians

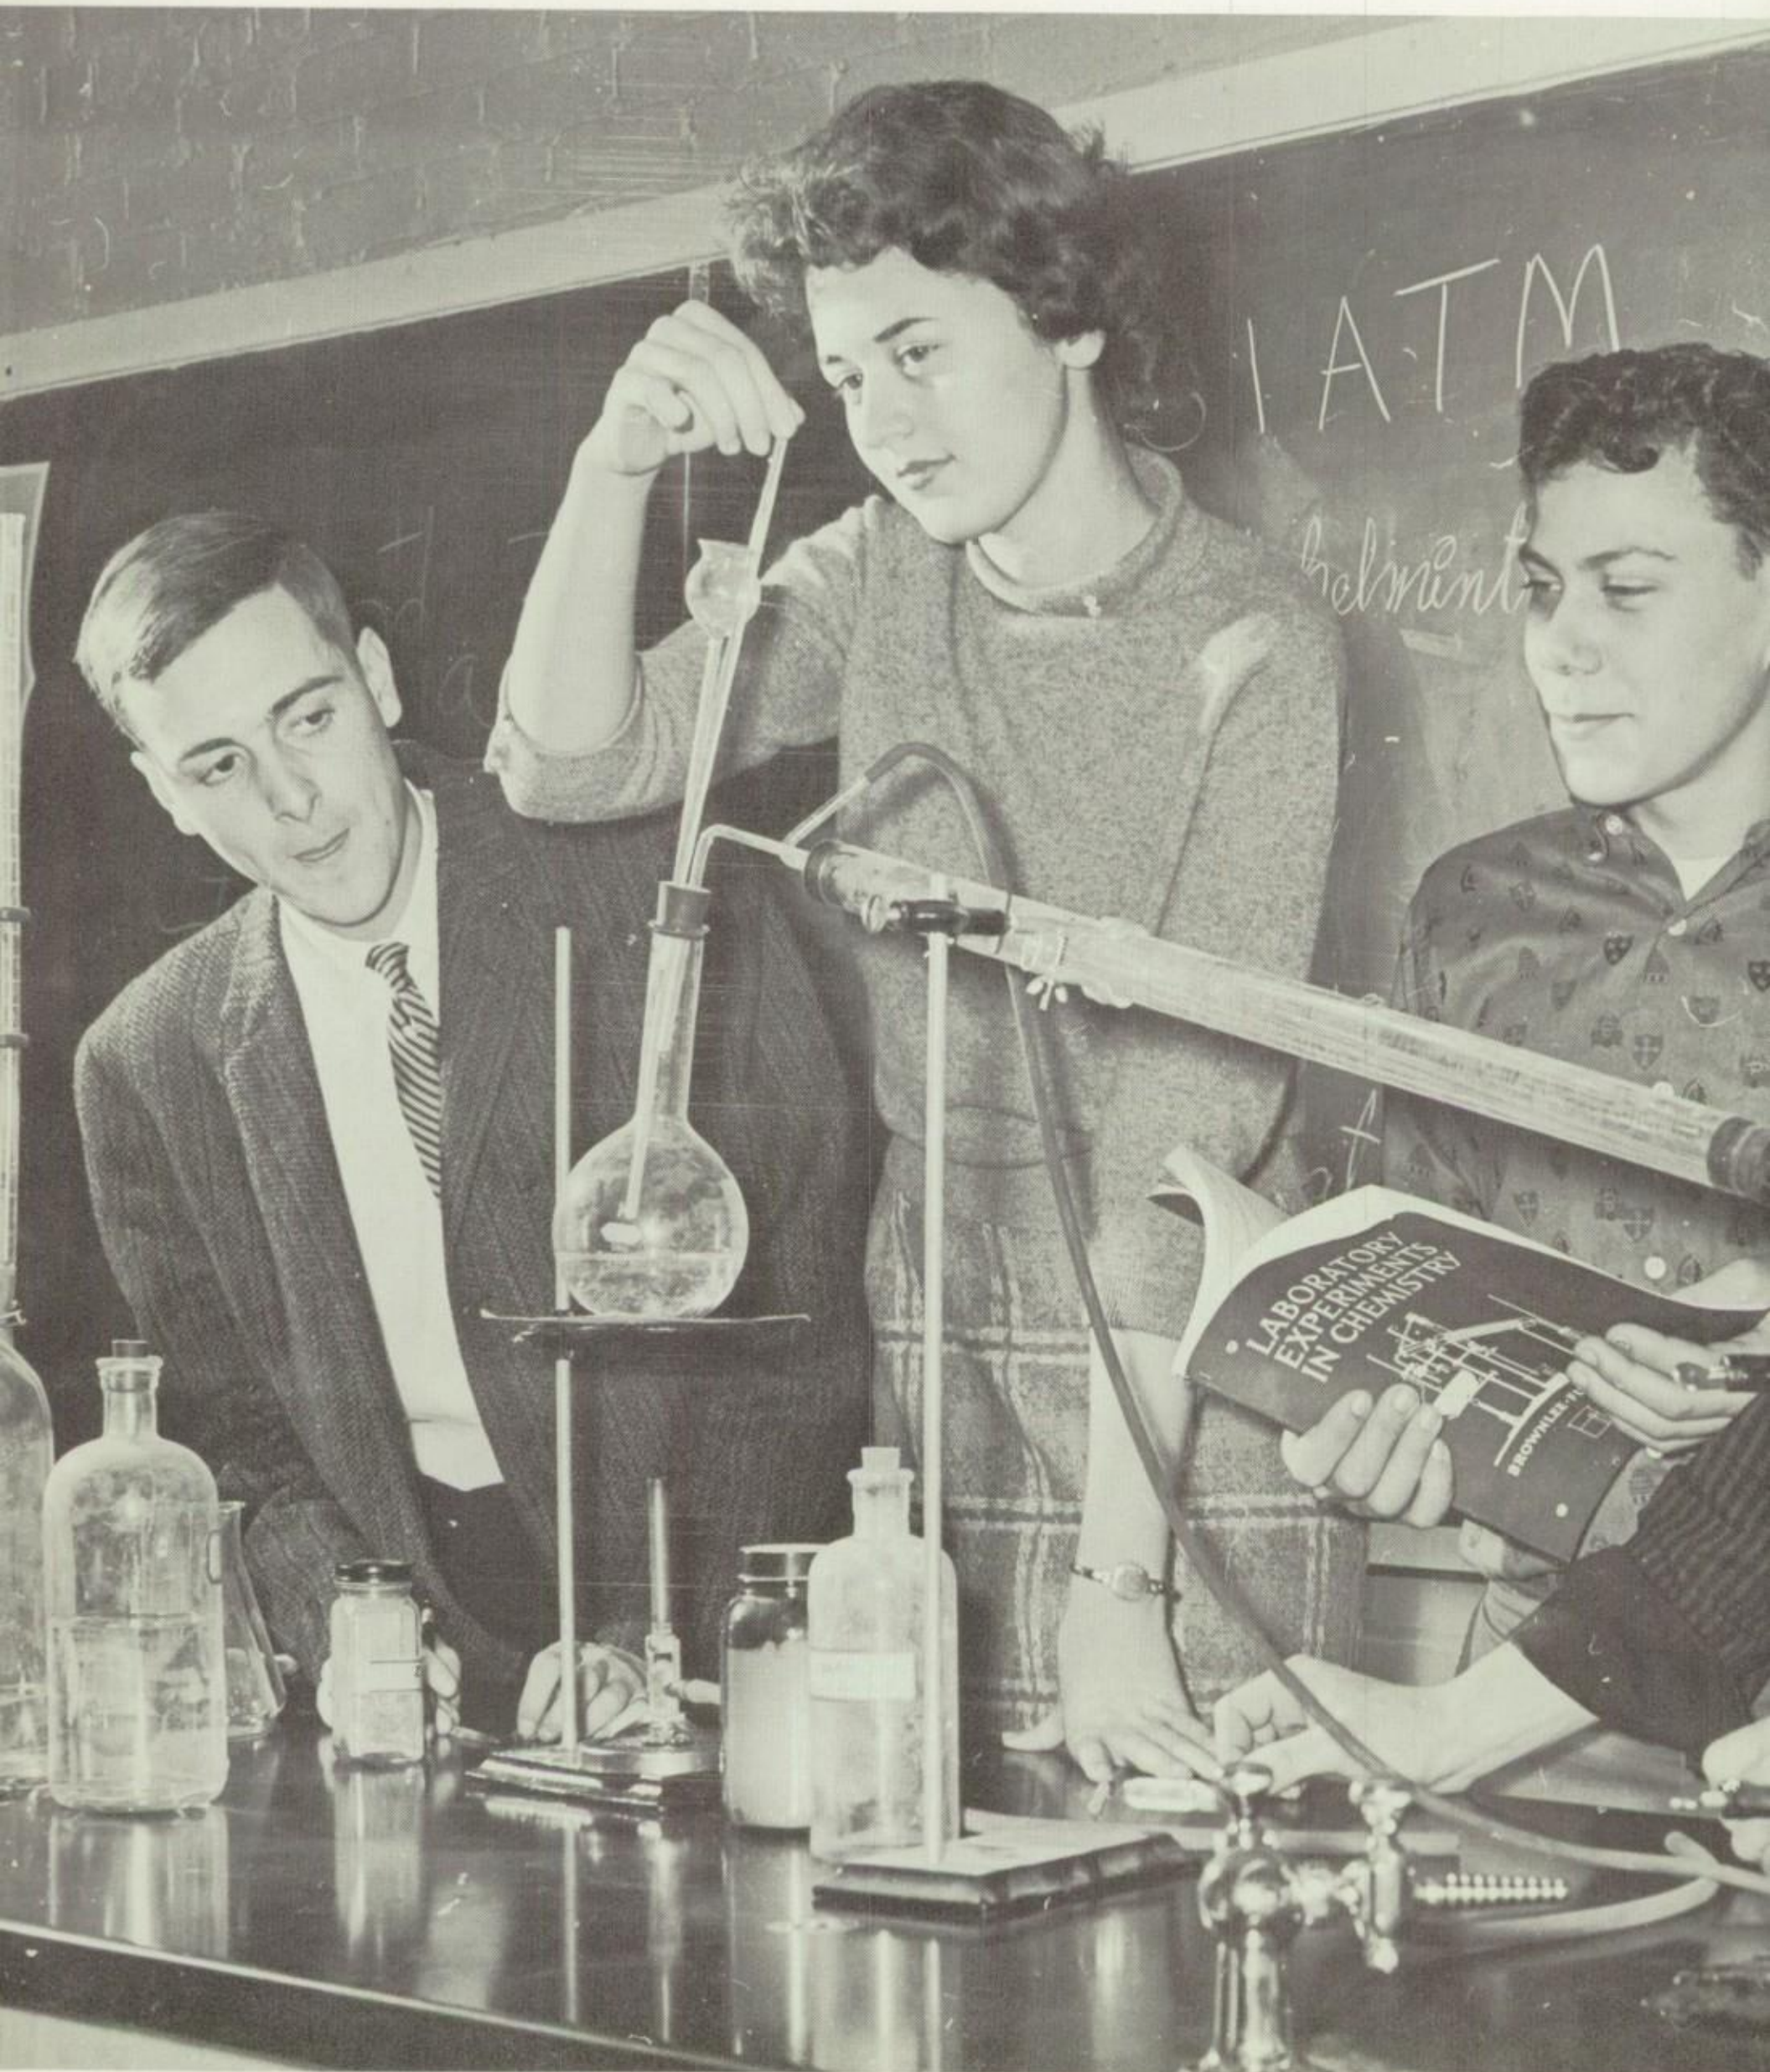

Row 1: Erwin Martin, Harry Lee, Carl Werderman.

Here stand the unsung heroes of New Haven High School. Can you imagine that it would be like if they weren't around? These men work all year long so that our school year may be more enjoyable. Not only do our custodians make sure that our school is clean, but their cheery smiles have brightened many a dark day.

"Memories Are Made Of . . . ."

## Underclassmen

Were it not for our Underclassmen, the trials and tribulations of the Senior Class might have been far greater. They have willingly given their time to assist in all school activities without thought of gaining any personal glory. To you, the Underclassmen, "we take off our hats!"

## Seniors

As a group, we may turn back the pages in our memory book on the pleasurable hours we spent on the plays we staged, the dances we provided, the games we won, the floats we constructed, and the carnival which lined our pockets with silver. As this goes to press, our Senior Class trip will be a moment of the past, but as the editor of this Annual, I fervently hope the future of each and everyone of you will be promising and bright.

# Top Ten

Row One: Barbara Battestilli, Sandra Buresh, Cynthia Chaffee, Susan Marocco, Judy Friedeman,

Donna Seter, Tylene Werderman, Rosalie Reichenbach, and Pat Thompson.

The people in the above picture are the top ten, scholastic wise, in the Senior Class. They have maintained a "B" or better average throughout their four years of high school.

In these people are the eyes of the future. Some may be nurses, some chemists, some teachers, and some artists.

All of them will naturally further their education. This year, United State high schools will graduate about 1,800,000 students. Colleges can only accept half of that number. Never before has competition been so severe, that is why you must keep your grades up to par, that is why these 10 people will get first choice when it comes to acceptances into Colleges.

# Class Song

## I'll Walk With God

I'll walk with God — from this day on, His help-ing hand —

— I'll lean up-on, This is my prayer, — my hum-ble plea, — May the

Lord be ev-er with me. — There is no death — tho' eyes grow

dime, There is no fear when I'm near to Him. — I'll

lean on Him for-ev-er And He'll for-sake me nev-er. —

He will not fail me As long — as my faith is strong, —

— what ev-er road I may walk a-long; — I'll walk with

God, — I'll take His hand, I'll talk with God, — He'll un-der

stand; — I'll pray to Him, each day to Him, And he'll

hear the words — that I say. — His grace re-veals the

paths I've trod, Now I'll ne-ver walk a-lone while I walk — with God! —

## Organizations

Each one of us has an opportunity to perform some duty for the Paper Staff, Annual Staff, Jr. Red Cross, or Student Council, which gives them a chance to work, plan, and construct with other students for the future well being of the school. The opportunity to establish a firm foundation for a successful high school career is open to one and all should be eagerly accepted. If our high school days are unsuccessful, what can we hope for the future?

## Honor Society

The New Haven Chapter of the National Honor Society was founded on May 10, 1954. In these past seven years, forty-five students have been elected to this honorary membership on the basis of Scholarship, Leadership, Character, and Service.

Highlights of each year consist of our Annual Christmas Party for Alumni of the Chapter, Notification Assembly, and the Induction Ceremony followed by the reception.

# We've Got the First Aid; Bring On the Victims

The organization of the Junior Red Cross has been with our School for many years.

The purpose of the Junior Red Cross cannot be expressed in just one word because there are many purposes of the organization. A few are to raise money to help the needy, and to put on programs for children and adults who are in the hospital. These are only a few of the numerous things the Junior Red Cross strives to accomplish, and this year with our members and our advisor backing us, we like to set out and accomplish as many of our worth-while goals as we possibly can.

The Student Council was organized to give the students an active voice in affairs and activities concerning their organizations and classes.

There are two representatives from each class chosen by the majority vote of that class. This forms the body of the Student Council. This year's officers were elected by the whole student body from two candidates for each office. Altogether there are fourteen members in the Student Council.

Their many projects include the scheduling of extra-curricular activities for every organization in school, the planning of the Homecoming parade and dance, the school Christmas decorations, and helping the financial needs of classes and clubs.

This Year's Council purchased a television for the school to assist in educational purposes.

The various articles you have enjoyed have been prepared by the members of the paper staff. Behind the scenes, this includes proofreading, hours of typing, stencil making, duplicating, and stapling.

May those that work on the staff next year co-operate with their Co-Editors as much as they have with us this year.

# G. A. L. and Varsity Club Succeed in Buying Uniforms

The Glee Club is a fast rising organization, with Mr. Eugene Branstron as their director. The group started out very small, but as the years went by, new members joined. This years group consists of 58 members.

Since there were so many new members, naturally there had to be more robes, so the Glee Club worked energetically and finally succeeded in acquiring them. The white stoles were an added attraction.

We sincerely hope that more students will join and help build New Haven Glee Club into an organization beyond compare.

# Band Wins Third

Row 1: Susan Marocco, Carole Seter, Penny Foss, Jane Werderman, Carol Cooper, Delia Deinzer, Karen Bruder.

Row 2: Art Cibor, June Kjerrumgaard, Kathleen Bardecki, Pat Thompson, Nancy Brockman, Lois Kendrick, Ronald Gramlich, Bruce Kinch, John Oemig, Joe Wierzbecki, David Nagengast.

The New Haven High School Band got off to a rather slow start this past year, for various reasons. However as the year went on the band became more active.

Most of the time was spent rehearsing for the Eastern Michigan Festival of Marching Bands which was held at Royal Oak on October 29, 1960. The New Haven organization participated in this contest and came home with a third division award. Although the band was out ranked in quantity and quality the experience which was gained will certainly help in next year's festival.

November saw the beginning of a new and more enthusiastic Band Boosters Club in New Haven. This organization, made up of parents and friends of the band members meet every month to discuss ways of bettering the band financially as well as musically and socially. The club sponsored a rummage sale in December and raised over \$100, which went toward the purchase of the new trousers and shakos which are proudly worn by the band members. This group of workers also sponsored bake sales and parties for the members of the band throughout the year.

It promises to be an exciting season as well as an active one for the New Haven High School Marching and Concert Band.

# Division Award

Row 3: Bill Cummings, Cheryl Miller, Diane Duffey, Philip Krasnicki, Kathy Akers, Ed Leizbeit, Frank Kotlier, Charles Matthews, Dan Dodge, Judy Freideman, Charlotte Schutt, Rodney Winn, Joan Campbell, Bob Tessmer, Mr. Byerly, Director; Sharon Schindler, Mary Churchill, Eric Foss, David Teschler, John Akers, Leon Ivery, James Johnson.

Row 4: Ralph Diaz, John Mack, Dwight Lee.

## Majorettes

These girls represent our school as Majorettes. Their Marching season included marching at Detroit, Mt. Clemens, and our own Homecoming parade. If you will look closely, you will see the new sweaters the Majorettes acquired this year, they are, indeed, very proud of them. Much of their ability and success as Majorettes is accredited to their advisor, Mrs. Kinner, who spent many hours training them for a year of marching.

# Copy Sheets, Typewriters, Layout Sheets, No-Nods!

We, the members of the 1960-61 Annual Staff, have worked exceedingly hard to produce a yearbook you students would enjoy and treasure.

For the last ten years, we have been going along the same way, without a change in the quality of the book or the quantity of the book. Finally after some thought and consideration, we decided to do something about it, and here it is. Now that it is done, we the members of the staff can sit back and recouperate for a year.

Working hard or hardly working!

Take a picture, it'll last longer!

Too late to agree with me--I've changed my mind!

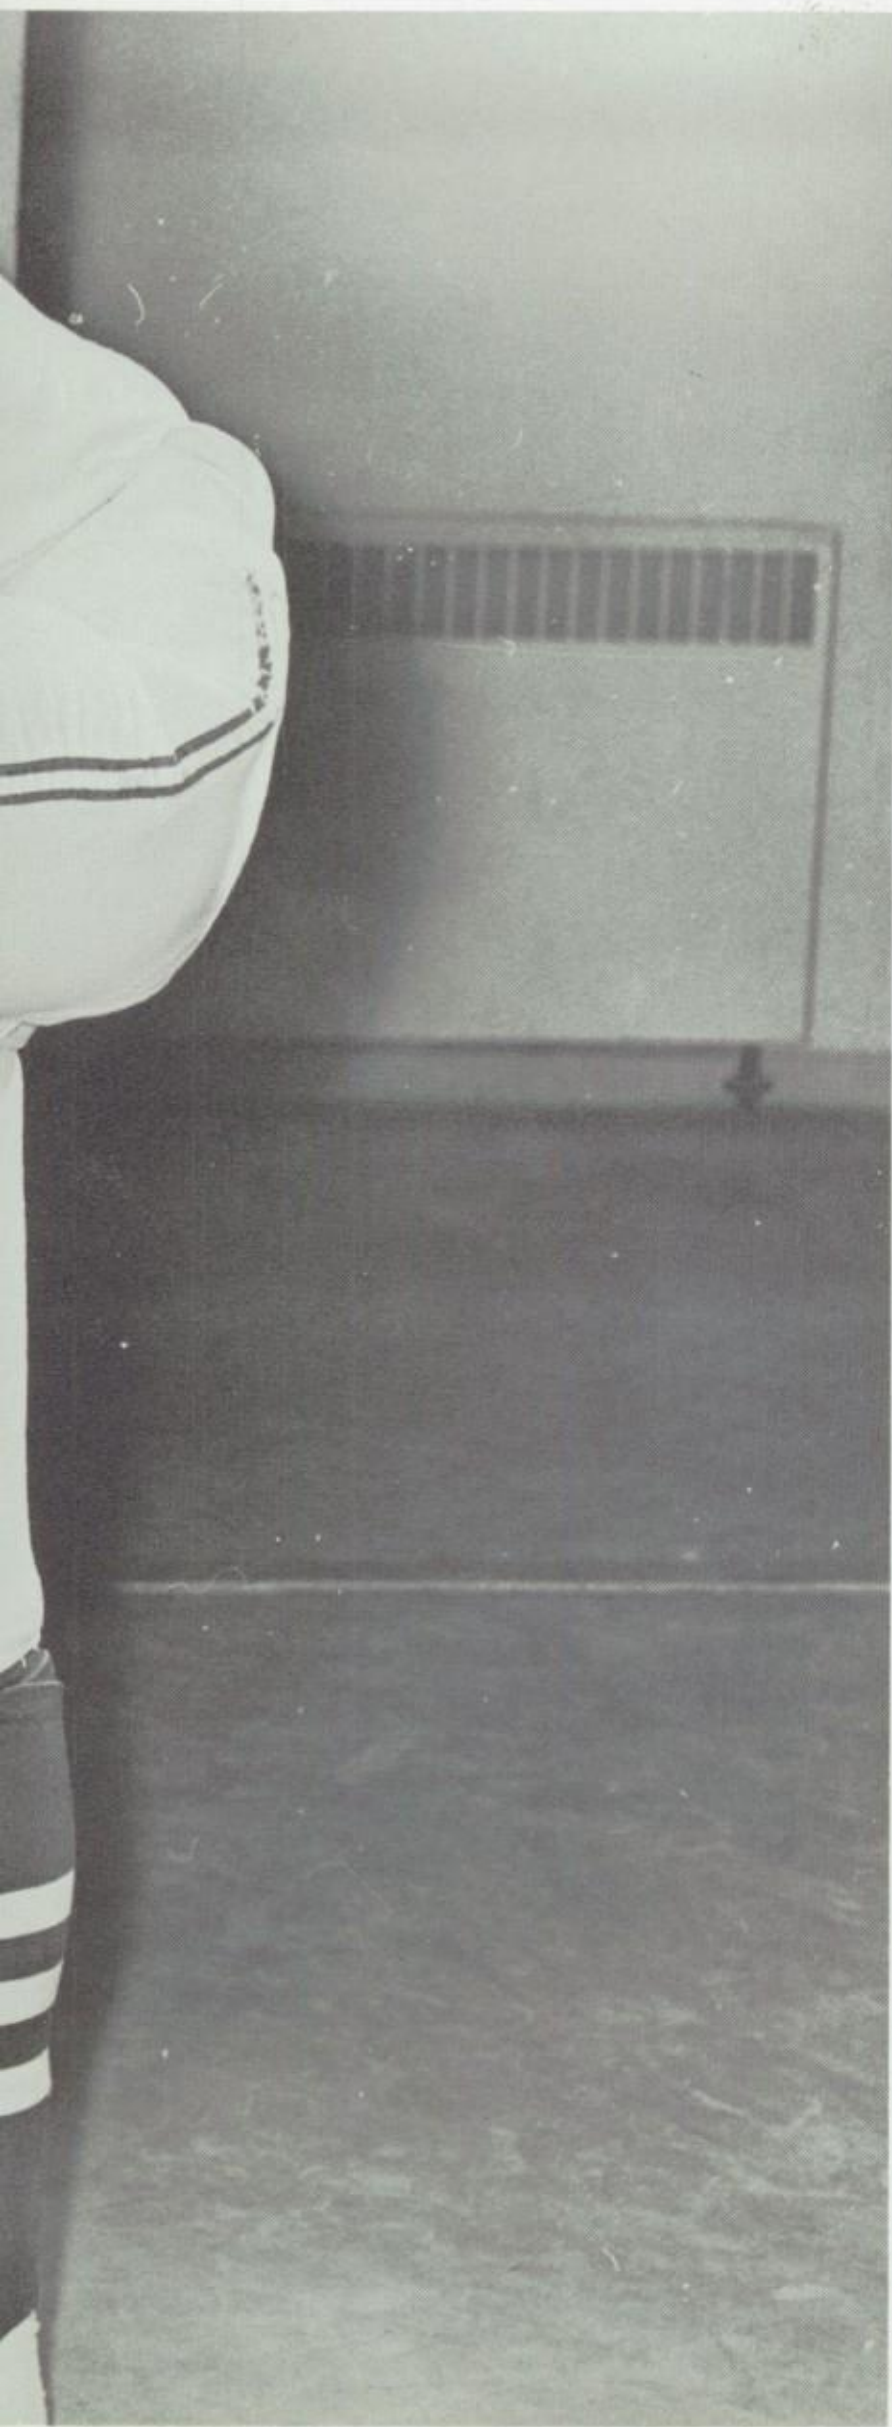

Can we help. . .or do you want to make your own mistakes?

## Athletics

Football, Basketball, Baseball, Track--there are many memories connected with these sports. The wins, the losses, the ties, and the many sleepless nights worrying about the next game. Sports are and will always be a major part of the schools extra-curricular activities.

Row 1: Donna Seter, Nellie Akers, Marilynn Harm.  
 Row 2: Susan Marocco, Carol Cooper, Juanita Deinzer. Row 3: Janet Kern, Barbara Battestilli.

"Our Rockets are the best," is the familiar cry of New Haven's amazing cheerleaders. The squad this year consisted of eight girls, which includes a rotation system to give them each an equal chance to cheer. The job of the Cheerleaders is to support our team on to victory, and that is why they deserve that much needed appreciation and credit. You can always depend on them, rain or shine, to give our team that extra pep and spirit they need to win a game.

# We Eagerly Looked Forward to Football Practice

"I'm going to fly over the line, boys!"

"We play in style, shoes and all."

"I Told You Not To Get Your Pants Dirty"

Then, a hard fought 19-14 victory against Brown City. This record was now four wins and two losses, they were gaining more confidence as each week went by. Their final game at home was their Homecoming, this is one that they were really fired up for and were hungry for a victory. They shut out Capac for a 13-0 victory, to complete a wonderful Homecoming. New Haven was able to capture second place when Dryden beat Memphis on the final game to allow us to place second by a half game ahead of Memphis.

After the season was over came the choosing of an All-Conference team. Only Sonny Meyer placed on the first team for New Haven (he led the team on scoring this year). Four players from New Haven placed on the second team, they were Tom Griffin, Jim Smith, Doug Foss, and Dennis Kendrick. Bob Mack, Joe Kozub and Ed Liebzeit all earned honorable-mention. All of these boys are Seniors and will be missed next year.

Mr. Young and the team would like to thank everyone for supporting the team all year long.

After losing three of their first four games, the Rockets won their remaining four games. Their record of five wins and two losses was good for a second place finish in the Southern Thumb League.

In their first game of the year against Lamphere, they lost a hard 13-6 decision. The team started things off right in league play with an opening 13-6 victory against Dryden. The following week the Rockets went up to Memphis to meet a surprisingly rough Memphis team.

A little over-confidence plus some bad mistakes added up to a 13-12 defeat for us. The following game against Anchor Bay was one that we really had to win to stay in contention for the Championship. Two quick touchdowns in the dying moments of the game made the final score 20-0. Anchor Bay won the Championship for the second straight year and a rating of fourth in the state.

Then in the game against Armada the Rockets won by the score of 12-6. The following weeks trip up to Almont was well worth it, as the Rockets brought home a 25-0 victory against a weak Almont team.

"Mellow"

Row 1: James Smith, Perry Lee, Tom Griffin, Gerald Harris, Walter Lee. Row 2: Alfred Petty, Irving Chopp, Dwight Lee, Edward Liebzeit, Kent

Meyer, Albert Smith, Lester Pringle. Row 3: Manager, Eric Foss; Coach, Dale Gerow.

We of the Rocket Staff would like to congratulate the Varsity Basketball team on a great season this year. With eleven league wins and three loses, it turns out to call for a good pat on the back for the boys who make up the team, and their coach, Mr. Dale Gerow. These eleven wins and three loses gave the boys a second place in league basketball standings, surpassed only by Capac. They also took second place in League Tournaments, congratulations for that too. This year the team was made up of seven Seniors, three Juniors, and one Freshman.

## Rockets Come In Second Place In League Standings

Even though the team will be losing seven Seniors, there are plenty of underclassmen to carry on the name of New Haven to various basketball floors and also on to VICTORY!

The position for Championship was between New Haven and Brown City until the sixth of the seven games played. The Rockedettes won this game 29 to 14 the only game of the season in which more than 30 points was not scored.

High scorer of the season was Phillis Avedt with a total of 116 points.

The Rockedettes have come through with a championship team for the first time in ten years.

## Activities

School Activities also play an important part in a students life. They provide entertainment and give us a pleasant relief from our studies. There is truth in the old Cliche, "All work and no play makes Jack a dull boy." So it is with pleasure and a little nostalgia that we look back on the various activities we have enjoyed during our years in school.

# Cheerleaders Receive High Honors

Picture number one is an action shot of the cheerleaders practicing new cheers for the coming game. Notice the happy looks on their faces; they knew that we were taking the picture.

On these two pages is what is known as a picture story. The reason why it is called a picture story is simply this, because there are pictures placed in such a manner, that relate a story to you the reader.

The reason for our choice is this: the cheerleaders in our school do not get entirely enough

attention or praise, and, by this article, we had hoped to bring out some of the tasks the cheerleaders have to do in order to put on a good performance for our sports players. We personally feel that New Haven's cheerleaders do a tremendous job and should receive some credit for it. Therefore, we have decided to devote a two-page spread on "Our Cheerleaders".

Picture number two is the cheerleaders getting ready for the big game. They want to make a good impression, that is why they take special care when they dress.

Picture number three is of the cheerleaders getting acquainted with the cheerleaders of the opposing team. One good quality of being a cheerleader is that you are able to meet so many interesting people from different schools.

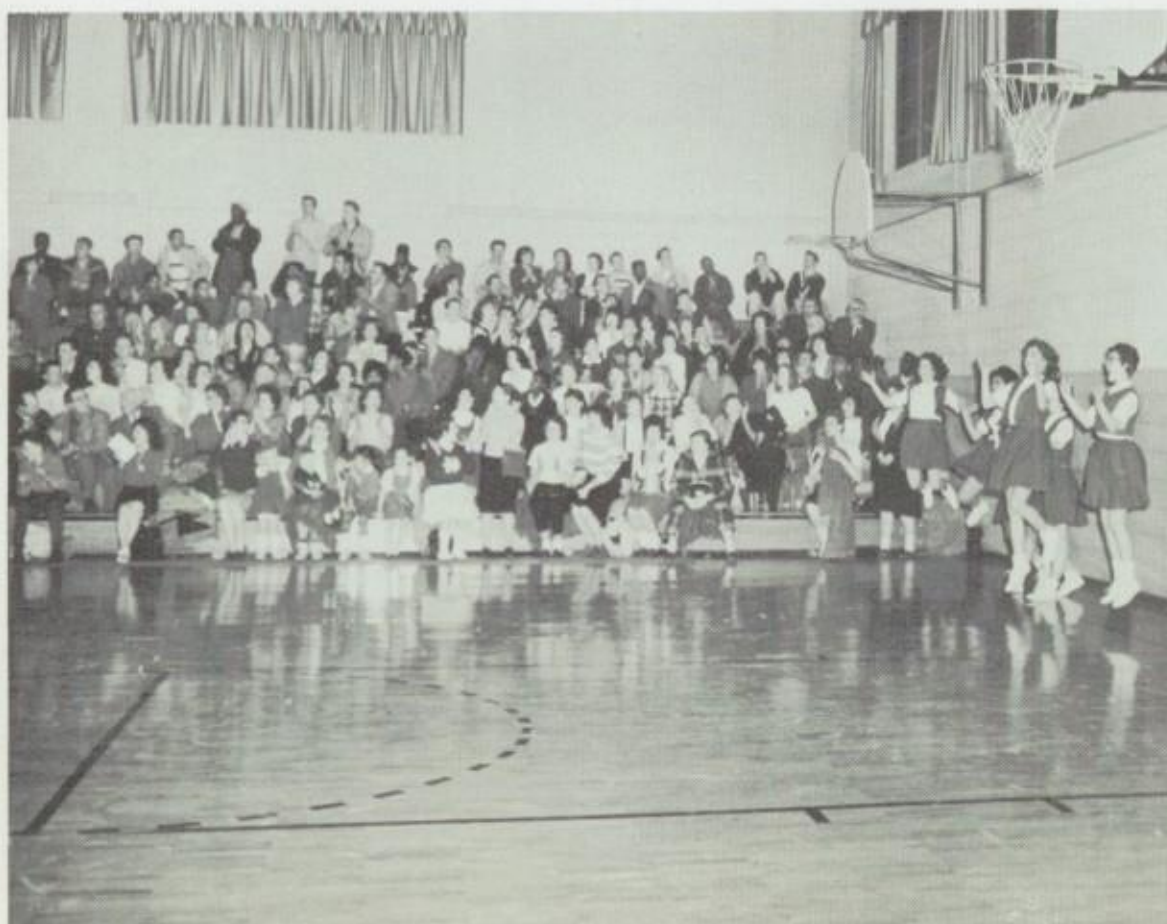

# From Annual Staff

Picture number four is of our cheerleaders doing chants along the sidelines. It is the job of a cheerleader to keep the crowd cheering, and they have done an excellent job throughout the years.

Picture number five is of one of the basketball players making, or I should say in the process of making the winning basket. Whether or not he makes it decides the game.

Picture number six is of the cheerleaders jumping for joy over New Haven's victory, and during the past years they have done quite alot of that.

going to live better than ever before ... electrically!

You, today's graduate, are entering an exciting new era where you will live better than any generation has ever lived before—the era of all-electric living.

Your all-electric home for example, thanks to time-saving electric equipment and appliances, will allow you and your family more time to enjoy life together.

Your job will be smoother too. Electricity, in everything from office equipment to heavy machinery, will lighten your work—make it more enjoyable.

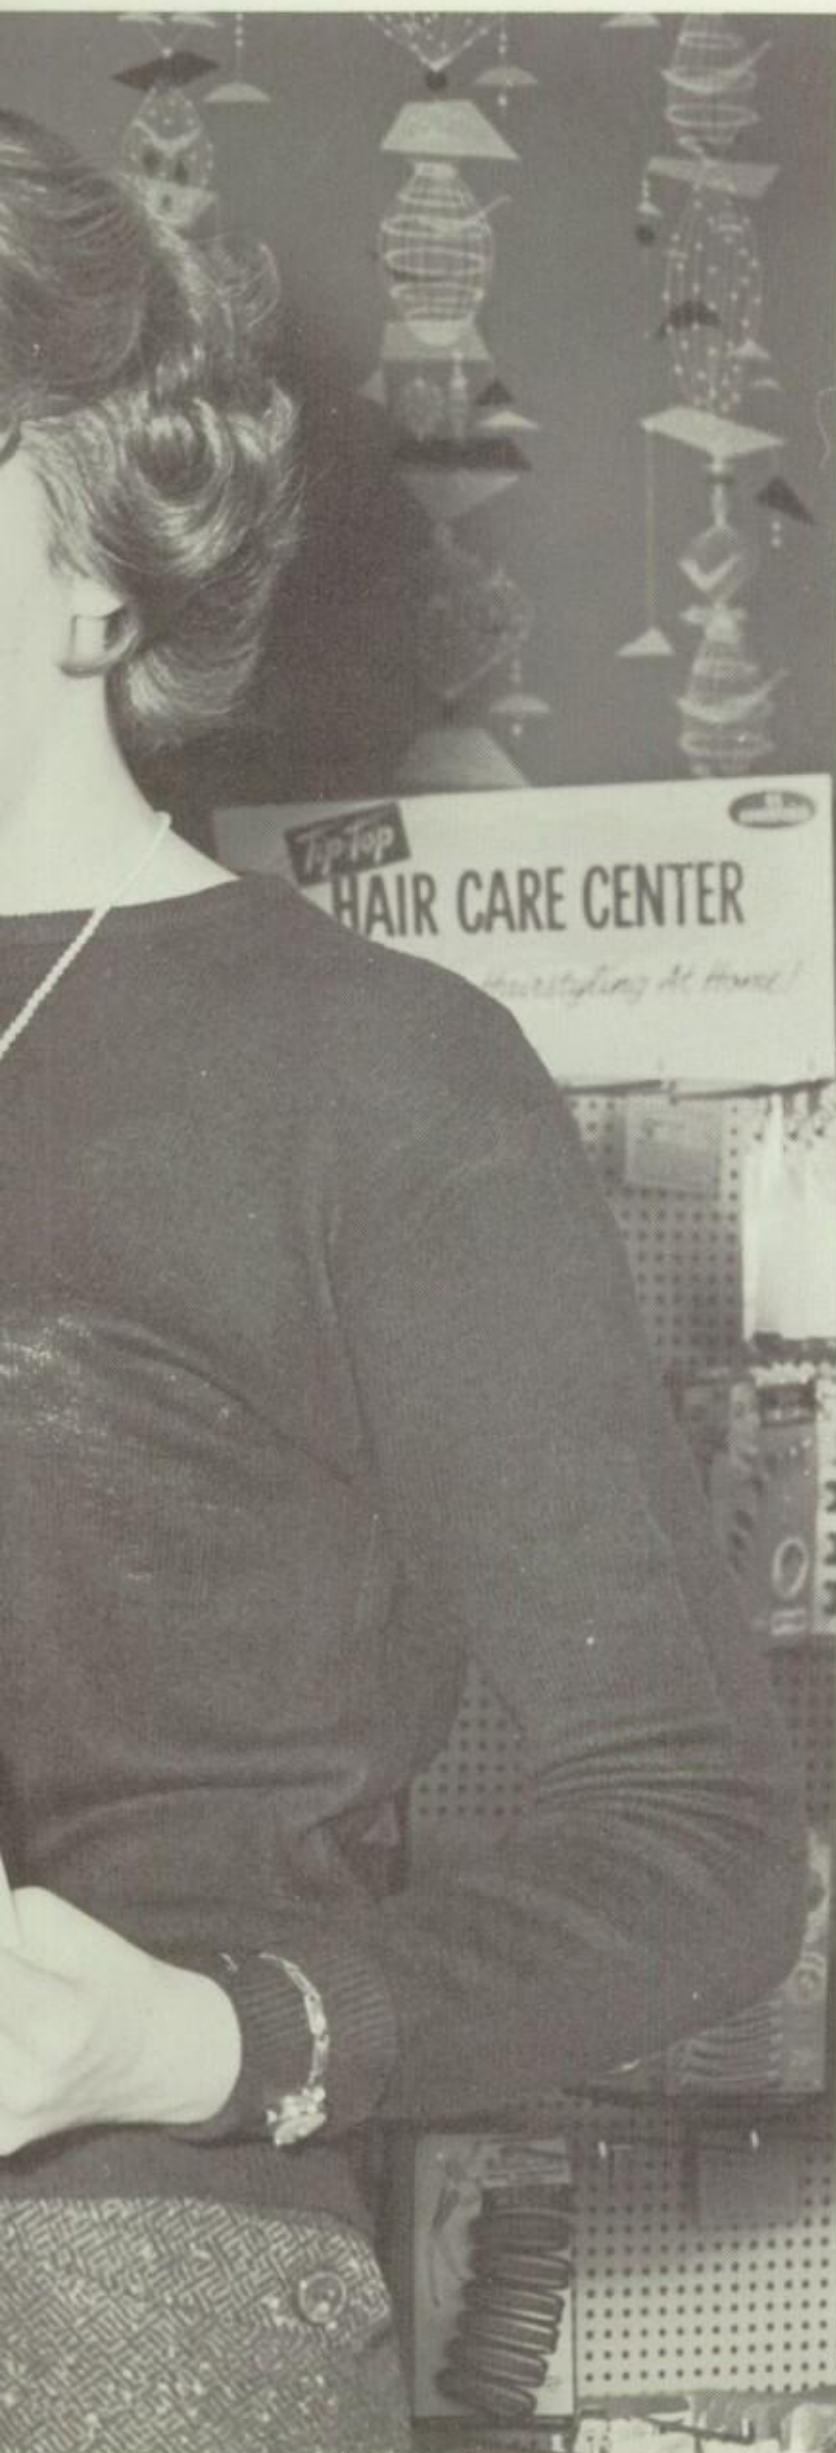

If you decide on further education, your field of study may well be related to electricity. Perhaps someday, as a scientist or technician, you will even lend your knowledge to further mold the all-electric world of tomorrow.

But wherever the future finds you, whatever your place in life, electricity will be there to help you live better than ever before—live better electrically.
